

Safe Swim Defense & Safety Afloat Training

Most accidents in aquatic activities are caused by the lack of adult supervision and discipline. Almost every accidental drowning can be attributed to the violation of one or more safe swim defenses.

Safe Swim Defense and Safety Afloat are required classroom training courses for your unit to participate in ANY aquatic activity. This training is offered to any registered adult leader, and is appropriate for Cub Scout, Boy Scout, Varsity Scout, Venturing or Explorer Leaders.

Please complete the registration form below and return to the Council Service Center.

For more information about the classes, or the training itself, contact Debbie Wickham, 973-765-9322 x239.

As of January 2007 there is NO program fee for this training.

Date	Time	Location
10/28/2008	7:00 PM	Council Service Center, Florham Park
11/20/2008	7:00 PM	Council Service Center, Florham Park
